

PRESCHOOL at the FREMONT FAMILY YMCA

(for children who attend Y-Care)

PRESCHOOL IS FUN!

The experiences and curriculum of our developmentally appropriate program provides for the social, emotional, physical and intellectual growth of each child. Our teachers will guide children in exploring, discovering and learning at their own rate.

Language and literacy are developed through meaningful experiences. Young children learn through play.

Our preschool is organized to promote social interaction and self-growth. Each child will develop to his/her fullest potential in our preschool program with teachers and families working together as partners in the educational process.

Registration begins Monday, May 8th, 2023

COST: 3 year olds - \$40

4 and 5 year olds - \$50

(Title 20 does not apply to this program)

Payment due at the time of registration – please pay at the front desk
