IMPORTANT – Please be aware that there is a high demand for this program and we are limited in the number of youth we admit. Thereby we are asking that if you register your child for this program, but you do not need it for the entire 12 weeks, we will ask for payment for the days/weeks your child is not here (including the first week, May 23-27. Even though your child is not here, we still have staff, supplies and overhead expenses that need to be met each week. We want to fill this program with as many youth as possible who need Monday-Friday supervision for the entire 12-week duration.

Payment is due by 6 p.m. every Friday which will pay for the upcoming week. If you should miss a week, a \$10 late fee will be charged to your account. If your account becomes two or more weeks delinquent, you will be charged this late fee and will also be put on probation. At this point a meeting will be scheduled to meet with the Summer Fun Club director to make further payment arrangements.

When you register you are required to make your first week's payment. If you pre-register for this program and you cancel after May 1, you will be charged a \$25 cancellation fee per child.
