

U7/U8 SET UP

- U7/U8 (kids born in 2013 & 2014) will have one hour of practice on Tuesday evening and a one hour game on Sunday afternoon
- The focus will be on meeting the kids where their skill level is and building upon that. They will learn basic soccer skills, the rules of the game, team work, and develop a LOVE OF THE GAME! This is a fun and encouraging environment perfect for kids with limited or no experience with soccer.
- For U7/U8 kids who are ready for a more competitive environment (recreationally playing against other clubs) Fremont Soccer Club does offer a separate program
- The required equipment for YDP 2016 soccer are shin guards, soccer socks, and a water bottle. Soccer cleats are optional, but not required. If you purchase cleats, make sure they do not have a front toe spike as those are not appropriate for soccer
- A team shirt will be provided at no additional cost, and soccer balls are available for use during practice and games. If your child would like to bring their own soccer ball to practice, it should be size 3
- Registration Cost: \$75/player
- Registration deadline: March 14
